## Siletz Today: Keeping Culture—Artifacts, Repatriation, and Indigenous Sovereignty

### **Activity 1. Warm-up**

### **Vocabulary**

**Repatriation -** The act of returning someone or something to its place of origin.

#### **Instructions**

- **1. Individual reflection:** What is the difference between a cultural artifact and a personal possession? Reflect silently and record your responses to the questions below.
  - What is a cultural artifact?

• How is a cultural artifact different from a personal possession?

# Siletz Today: Keeping Culture—Artifacts, Repatriation, and Indigenous Sovereignty (Continued)

2	2. Partner discussion: Have you been to a museum where Native American artifacts were on display?
	Have you ever considered how those objects came to be in a museum? Why or why not? With a part-
	ner, discuss the following questions and record a few of your reflections.

• What kind of things did you see?

• Was it easy to tell how the objects were acquired? Why do you think this was?
